Luxury Lodge Welcomes Early Morning Arrivals

Delamore Luxury Lodge, on Waiheke Island in Auckland's Hauraki Gulf has launched a new initiative to welcome guests arriving into the country on early morning international flights - usually between 5 – 7 am.

Instead of having to wait until mid-afternoon when their room is ready, guests will be met at the Waiheke Ferry Terminal and taken to the Lodge where they can relax and enjoy a light brunch and the chance to relax in the sauna or large spa pool.

Delamore recognises that the New Zealand experience begins from the moment guests step off the plane and wants to ensure that along with the luxury comes a warm welcome.
